2026 Community Improvement Projects

The Village of Galena and its partners are advancing improvements to parks, streets, parking, sidewalks, stormwater infrastructure, and public facilities. Here is what residents can expect in 2026 and beyond!

Park Improvements

Miller Park Pavilion

Funding: Village of Galena

Phase I was completed earlier in 2026. Phase II—including restrooms, electrical work, concrete, and stonework—is underway, with completion planned by Thanksgiving 2026. Phase III, including painting, trim work, signage and landscaping is planned for 2028.

Miller Park Trail

Funding: Preservation Parks of Delaware County

The trail will be widened and resurfaced with completion planned for November 2026.

Miller Park Parking Lot

Funding: Village of Galena

Chemcote/CTL will pave the driveway, expand and pave the existing parking area and add striping. Completion is planned for the end of November this year.

Street, Parking & Sidewalk Improvements

Holmes Street

Funding: Village of Galena

McB and Sands Decker design-build team will complete widening, resurfacing, restriping and repairs as needed. Completion is planned by Thanksgiving 2026.

Walnut Street

Funding: Village of Galena

Improvements include street resurfacing, replacement of a stormwater catch basin, sidewalk upgrades, ADA-accessible pedestrian sidewalk, as well as an expanded, paved and striped parking area. Completion is planned for November 2026.

Columbus Street

Chemcote/CTL will install heavy-duty pavement, construct a raised center-block crosswalk and add new striping. Work is scheduled from September 15 through November 15, 2026.

Village-Wide Asphalt Repairs

Damaged pavement areas throughout the Village will be repaired.

Accessibility Improvements

Village Square Sidewalk & Crosswalk

T Crete will install new sidewalks and a crosswalk to improve ADA accessibility. Completion is planned for November 2026.

Village Hall Entrance

Funding: Village of Galena

T Crete and Lawn Masters will construct a new ADA-accessible entrance to Village Hall. Completion is planned for December 2026.

Thank you for your patience as these community improvements move forward.

Schedules are subject to weather, material availability, and construction conditions. Watch for future Village updates about timing and access.
